

4" Two-Way All-Weather Loudspeaker

AW-400

The compact and durable Klipsch AW-400 all-weather loudspeaker brings big time sound and worry-free performances to the great outdoors. And because it's so efficient, you get much more sound per watt, enabling this full-range model to work well in wide-open spaces.

Featuring a 4-inch IMG woofer, 1-inch polymer tweeter mated to a square Tractrix® Horn, durable UV-resistant enclosure, non-corrosive grille, easy draining input cup, heavy gauge zinc C-bracket and a 3/8"-16 threaded insert, the AW-400 easily brings high-quality music entertainment to your patio, garden, terrace, balcony or pool side.

With its good looks, great performance value and installation flexibility, the AW-400 will change the way you think about architectural audio.

- High sensitivity and power handling
- Paintable UV-resistant ABS enclosure with rustproof aluminum grille
- 90° x 90° Tractrix Horn tweeter for clean, clear highs
- Supplied with C-style mounting bracket and stainless steel hardware
- 3/8"-16 threaded insert for optional mounts
